

Gibbs Junior College Alumni Association, Inc.

April 23, 2019

Dear Alumni and Friends:

The Gibbs Junior College (GJC) Alumni Association, Inc. invites you to participate in our **2019 Annual Scholarship Drive**. You can help by making a generous contribution to our fundraising efforts.

The alumni association has awarded over 65 scholarships to minority students attending the Gibbs Campus of St. Petersburg College. The Florida Legislature established the Gibbs Junior College in 1957 as one of the first African American junior colleges in the state and gave African-American students in Hillsborough, Pinellas, Manatee and surrounding counties an opportunity to attend college. Gibbs Junior College became nationally renowned for academic and athletic excellence. In 1966, GJC merged with St. Petersburg Junior College, which later became St. Petersburg College; a four-year institution.

Within each of us is the potential to do great things and education is one of the cornerstones to achieving life’s goals. Through your contribution, you will be a part of this special effort to support “Keeping the Legacy Alive.”

If you have any questions, please contact me at (813) 852-2481, or Ms. Josephine Smith at (727) 866-6067.

Sincerely,

W.H. Bill McCloud
